Oregon GOP Congratulates Brett Kavanaugh On His Confirmation to the Supreme Court

Party Leaders Call for Investigation of Alleged Misconduct By Democrat Senators and Activists

Wilsonville, OR – The Oregon Republican Party congratulated Judge Brett Kavanaugh on his confirmation today by the U.S. Senate to the Supreme Court.

“I want to officially congratulate Judge Brett Kavanaugh on being confirmed by the U.S. Senate as the 114th Justice on the Supreme Court,” said Oregon GOP Chairman Bill Currier. “A jurist of great intellect and judicial gravitas, he withstood one of the most heinous, baseless, and unfair politically-motivated character assassination attempts in U.S. history at the hands of Democrat Senators, the leftist media, and unprincipled activists and lawyers.”

“We deeply appreciate the steadfastness of both Judge Kavanaugh and his family through the hell of it all. No American or their family should be subjected to the new reprehensible ‘standard of injustice’ that the Democrat Senators inflicted on this family,” added Currier.

“It has also been reported that lawyers, activists, and possibly several Democrat U.S. Senators and their staffs may have been involved in serious misconduct, including [witness tampering](#) and [outright deception](#) of the Senate Judiciary Committee,” stated Chair Currier. “We call for an immediate investigation to get to the truth of what has occurred, and to hold anyone involved accountable.”

“Across our country, women believe in the presumption of innocence and don’t need demagogues like Chuck Schumer, Dianne Feinstein, and Mazie Hirono to tell them who and what they have to believe,” said Oregon Republican Vice Chair Christine Barreto. “I was particularly impressed with the speech yesterday by Senator Susan Collins of Maine, who laid out a very thorough and reasoned case for confirming Brett Kavanaugh.”

“Ballots arrive in mailboxes in less than two weeks here in Oregon,” added Vice Chair Barreto. “Voters, especially women, who believe that evidence and fairness are essential to our society, need to make their voices heard, or the radical leftist shouters and screamers, who claim to speak for them, will drown them out.”

“Together, we can chart a new and better course for our state based on problem-solving, results, justice, and fairness, where ALL WOMEN ARE HEARD - by **voting Republican.**”

The Oregon Republican Party is the state’s arm of the Republican National Committee. Its Chairman and officers are dedicated to promoting Republican principles within the state of Oregon and to improving the lives and livelihoods of Oregon’s working families through economic freedom and equal protection under the law.
