**Oregon GOP Statement on Kate Brown Accepting Campaign Cash
From Notorious Leftist Puppet Master Billionaire George Soros**

Oregon GOP Chair Says “Now We Know Who Governor Brown Really Works For”

Wilsonville, OR – The Oregon Republican Party released a statement this afternoon on the news of Governor Kate Brown accepting a sizable campaign donation from infamous billionaire George Soros.

Willamette Week is [reporting](#) that Governor Kate Brown has accepted “an unprecedented” campaign check from George Soros, a billionaire left-wing hedge-fund manager and campaign donor who resides in New York. This is Soros’ “first direct involvement” in Oregon.

“Kate Brown has consistently ignored problems facing everyday Oregonians and has instead used the office of Governor to make herself a national left-wing celebrity. Now, Brown is cashing in and taking big campaign donations from notorious leftist puppet master, billionaire George Soros,” stated Oregon GOP Chairman Bill Currier.

“We need a Governor who tackles crime, faltering state agencies, and the PERS pension crisis, and a leader who will rescue our bottom performing K-12 schools and stop the out-of-control spending and endless tax increases,” added Currier. “Kate Brown is more interested in wooing George Soros and the out-of-state, leftist, super-rich donor class than truly confronting the serious problems at home. Now we know who she really works for.”

“Oregon voters have yet another reason to send petty politician Kate Brown packing by ending her disastrous governorship this November.”

The Oregon Republican Party is the state’s arm of the Republican National Committee. Its Chairman and officers are dedicated to promoting Republican principles within the state of Oregon and to improving the lives and livelihoods of Oregon’s working families through economic freedom and equal protection under the law.
