## **Legislative Session check-in & COVID-19**

**March 2021**

## Research purpose

This survey aims to check in with Oregon about some of the key policy debate that are happening during the 2021 legislative session.

It also asks Oregonians about COVID-19, vaccination distribution, and Governor Brown's order to restart in-person school.

And always, the survey updates benchmark questions about the direction of the state and impressions of key political leaders.

## Methodology

- Online survey of N=600 Oregonians ages 18+
- Conducted March 7–14, 2021; 15 minutes to complete
- Quotas and statistical weighting by gender, age, education, race, area of the state and political affiliation to match Oregon's general population
- Margin of error  $\pm 4.0\%$
- Due to rounding, some totals may differ by  $\pm 1$  from the sum of separate responses
